

Privacy Statement

This privacy statement has been created in order to demonstrate our firm commitment to Privacy. The following discloses information gathering and dissemination practices for this website.

IP Addresses are used to help diagnose any problems with our server and to administer our website.

Cookies are used to keep track of your shopping cart. Cookies help identify you so we can retrieve your information so that there no need to re-enter it each time the site is visited.

The Registration Form and Order Form requires contact info and unique identifiers. This information is used:

- to send the registrant information about our company from time to time.
- to contact the site visitor when necessary, if they have subscribed to the mailing list.
- to verify the users identity and for use in our record system

Users may opt out of receiving future mailings by choosing to unsubscribe.

The site may contain Links to other sites. CoverTel is not responsible for the privacy practices or content of other linked websites.

Security

This site has security measure in place to protect the loss, misuse and alteration of the information under our control. All data is protected using the suitable methods available. No financial information, like credit card numbers or personal information, is stored. Any personal information received will only be used to fill the order and will not be sold or circulated to anyone. Secure online payments is provided by 2Checkout.
